

Transit Authority of Central Kentucky

1209 North Dixie Highway, Elizabethtown, KY 42701

Transit Authority of Central Kentucky (TACK) Accessibility Policy

TACK is committed to serving persons with disabilities. We back the commitment by providing services that make public transportation both as easy and pleasant as possible for persons with disabilities.

TACK will make reasonable modifications / accommodations to its operating policies, practices, and procedures to ensure program accessibility. The nature of an individual's disability will not preclude TACK from providing full access to its services.

Some exceptions apply. These exceptions include when a modification / accommodation would:

- Cause a direct threat to the health and safety of others
- Result in a fundamental alteration of the service
- Is not actually necessary in order for the individual with the disability to access the service
- Results in an undue financial and administrative burden for TACK

If you would like to request a reasonable modification prior to utilizing that service, you may do so by contacting Joseph Redmon, Executive Director, at 270.765.2612 or by email at jredmon@tacktransit.org.

You should provide:

- Name
- Contact information (phone number / email address)
- Service and/or location address
- Specific details of the modification / accommodation request

Please click [here](#) to download the TACK Reasonable Modification / Accommodation Request Form.
