Fellow Veterans -

The money supporting the Kentucky Department of Veterans Affairs has once again run out. TACK will be reinstating our reduced fares for all veterans visiting VA facilities throughout our area. Those fares are:

Round Trip to/from Fort Knox (IACH)	\$10.00
Round Trip to/from Jefferson County VA Clinics, the Zorn Avenue VA Hospital and the Clarkson Clinic	\$30.00

If the grant money is funded in the future, we'll again suspend these special rates. Thank you for your service.

Respectfully,

Joseph Redmon

Executive Director of TACK
